

Annual Report 2015/2016

*"Our mission is to create a world where each child can reach their full potential
or at least chase their own dream."*

Our Programs and Donations 2015/2016 financial year

SCAO

Cambodia, Som Rong

Over 230 students attend SCAO II (which opened in 2011) where they receive free English and Computer classes, as well as hairdressing and beautician vocational classes.

The school is more than just about learning about vocational education, SCAO also offer community development support which includes installing water filters and building sanitary facilities for the families of the village.

\$3650

*Raised for our Sponsor a Teacher program from the **Quiz Night** in August*

\$2468

*Raised from the **Finding Dory** movie screening for our Sponsor a Teacher program*

The Jeevan School

Varanasi, India

The Jeevan School and Hostel is continuing its great work, schooling children from the local slums of Varanasi who wouldn't otherwise have the possibility of attending school at any level, and most suffering from various levels of malnourishment. The school and hostel works with street children living in the Holy City of Varanasi, offering them a home, nutrition and a safe place to live and learn.
